Speaker order: Navy, CDPH, EPA, DTSC presentations up to 5 min. Public comments 1 min each.

President Cohen's staff (Iowayna Pena) expects our item to be heard maybe around 3 pm, but she cannot be sure when it would start and when it would end. Enrique needs to leave 4:30 pm; John and I will stay until the end. I have not seen any press coverage about Hunters Point since 10/4 after the 10/3 Navy mtg. I have not seen any press coverage re Supervisors' hearing.

From President Cohen's office:

when you arrive, you are welcome to sit in the Chambers to save space for your team, or you can wait in what we will use as an overflow area, Room 263 (located on the 2<sup>nd</sup> Floor of City Hall, in the corridor that houses the Supervisor's offices'). The room will have a TV that broadcasts the meeting live, but because there is a short delay, the Sheriff will be assisting the Clerk in notifying any groups in the room who are speaking. I will be between Chambers and Rm. 263 just before this item is called, but should you need me prior to the start of the meeting, my office is Rm. 278. If any questions come up before the meeting, please do not hesitate to reach out to me.

Best regards,

Iowayna Peña
